**INSTITUTION'S  
INNOVATION  
COUNCIL**  
(Ministry of Education initiative)

## **NOTIFICATION**

**Regarding Publication of PDKVCET**

**Innovation and Startup Policy**

The All India Council of Technical Education (AICTE) released a Startup Policy document applicable for AICTE approved Institutions of higher education in November 2016, to address the need for inculcating the culture of Innovation and Entrepreneurship in the students. In February 2019, the Ministry of Human Resource Development (MHRD) along with Innovation Council (MIC) of Ministry of Education (MoE) released the National Innovation and Start-up Policy 2019 (NISP-2019) for Students and Faculty members to outreach the innovation culture in the nation. The guidelines framed in the NISP provide the pathway for framing Innovation and Entrepreneurship Policy in Higher Educational Institutions (HEIs) and implementing the same in respective HEIs.

The objective of NISP 2019 is to bring India into the top 5 in innovation index ranking. The MHRD's innovation cell conducted series of follow-up workshops and trained the Institutions. This led to the formulation of new Start-up and Innovation policy for the Institution. In line with the NISP 2019, PDKVCET has formulated the NISP committee for promoting innovations and entrepreneurship ecosystem in the campus. In this context, the institution has framed the guidelines to promote startup culture among the students and faculty. PDKVCET also promotes the progression of close relationships with industries, which will aid in the growth of improved products, processes and research work among students, thereby creating a start-up ecosystem in the college. Many training, awareness, and professional initiatives for students and faculty at the institution will be held to foster the innovation culture.

The NISP expert committee for formed on 13<sup>th</sup> April 2022. The committee members are designated from reputed institution and industries. A meeting was held on 15<sup>th</sup> April 2022 for the formulation of the Innovation and Startup Policy of the Institution. With the recommendations of the Expert committee and the Governing Council the Policy is framed and recommended for implementation with effect from 19<sup>th</sup> April 2022.

PDKVCET's Governing Council "PDKV Innovation and Startup Policy" to all the stakeholders on this day: 19<sup>th</sup> April 2022.

It is notified that Students and Faculty members can contact IQAC and IIC office regarding the information about our institution's NISP.
